### HIGHWAY BANDITS KILL GIRL NEAR HEARNE PASS

Bryan, June 17—An extensive search throughout this section had failed late this afternoon to develop any definite clue as to the identity of the two men and women who killed Miss Ledelle Hammond, 20, Koss, and wounded Erwin Conway, 21, of Bryan, her escort Friday night. The couple were attacked nine miles north of here while driving to Bryan to announce their engagement.

Miss Hammond was shot once through the heart. Conway was shot through the shoulder but his condition is not considered serious.

Conway told officers that he and Miss Hammond had reached an underpass nine miles north of here on highway No. 6 when he saw a car parked by the side of the road.

#### Flagged by a Woman

A minute later his headlights picked up the figure of a woman by the car and she waved at him.

"I stopped the car and she came up towards us," Conway said. "She had on what seemed to be a brown dress."

"As she neared my car two men came out of the darkness. One got on each side of the car."

"The window was down on Laddell's side and the man just reached (See BANDITS on page 4)

### LEGION MEN WILL STAGE BOOSTER TRIPS

The annual booster trips to advertise the 4th of July Celebration in Cameron will be held Thursday, June 22nd and Friday, June 23rd.

The first trip advertisers will leave Cameron at 1:30 o'clock Thursday afternoon and will take in all towns north and west of Cameron. The exact itinerary of the trip has not been worked out by the Committee. The second trip will leave Cameron Friday afternoon at 1:30 and will take in the towns south and east of Cameron.

The Cameron Municipal Band will make these trips with the Boosters and all business houses in Cameron are requested to have cars in these caravans. Edwin Hardy Post No. 9 of the American Legion is anxious to make this the outstanding celebration held in Cameron during the past few years. This can only be done with the united support of the business men of Cameron.

### ROAD PROJECTS LAID BEFORE COMMISSION

Members of the good roads committee of the Cameron Chamber of Commerce composed of L. Van Perkins, W. M. Cobb, Dr. W. R. Newton, W. B. Skelton and Stanton Dossett, with County Judge Jeff T. Kemp, heading the delegation, appeared before the highway commission in Austin, Monday, in the interest of roads in this county.

A request from the Milam county delegation that banisters be placed on the concrete bridge over Elm creek, was granted.

Other requests made for road improvement in milam county include:

Class 1—(1) Concreting of U. S. highway 77 from Burlington to the Elm creek bridge; (2) The right of (See ROAD PROJECTS on page 4)

### Word Lacking In Hunt for Mattern

SEATTLE—No word was available late today as to whether two Navy airmen on the old troop ship Argonne in the Pribilof Islands had been able to take off to search for Jimmie Mattern, globe-girdling flier, missing six days on a projected hop from Khabarovsk, Siberia, to Nome.

The fliers are Ensign William A. Moffett, Jr. and Lieut. John West. Weather reports indicated fog and clouds in the vicinity of the Argonne.

Naval radio at the Puget Sound Navy Yard had received no information from the Argonne.

### Co-Ed Slain, Fiance Shot on Lonely Road

Miss Ledelle Hammond of Koss, Texas, was shot to death and her fiance, Erwin Conway of Bryan, Texas, was wounded on a highway near Bryan, when two men and a woman stopped them at an underpass to rob them. Conway stopped when the woman, apparently alone and in distress, flagged him. The two men ran out of the dark and opened fire at once. Conway, shot and beaten, drove Miss Hammond to a Bryan hospital before he learned that his bride-to-be was dead.

### Commission Named To Administer Recovery Act of Congress in Milam

A commission of five men to be known as the County Board of Welfare and Employment, was named by the Commissioners' Court at a special session Wednesday afternoon.

This commission will be appointed to the Texas Rehabilitation and Relief Commission by the government at Austin, the members being first subject to approval of the Commissioners' Court.

The commission is as follows: Judge O. C. Nolte, Ben Arnold; H. C. Meyer, Rockdale; Giles L. Avriett and J. B. White of Cameron and Chas. Saller of Thorndale.

The Commission is authorized under an act of the Legislature passed in May and signed by Governor Ferguson. The board is a part of the State Commission of which Col. Lawrence Westbrook is director.

Under the terms of the act the

County Board will have supervision over all public works accruing under the recovery measure and administration of funds.

Rev. J. P. Love who has been chairman and director of the Milam County Emergency Relief Association, will continue in that place, although all work comes under the supervision of the Commission. The work of Mr. Love has been an innovation in public service. He declined to become identified with the broader aspects of the rehabilitation act because it involved business. It was the unanimous desire of all members of the newly named commission that Mr. Love continue to head this important division of the work.

The Commission desires and will have the active co-operation of the court and Chambers of Commerce and all interested civic bodies and citizens.

### COUNTY TO TAKE LOSS ON BANK FUNDS HERE

Depositors of the Cameron State Bank won their case before the Court of Civil Appeals at Austin this week when the court held in their favor and against Milam county.

The case involved funds in the Cameron State Bank. The county had on deposit in the bank \$34,500 which was unsecured. The ruling of the court, in effect, says the county must take its chances along with other depositors.

Depositors contended that this amount should take hazards along with them. The county is required to accept dividends on the \$34,000 as has been the procedure in liquidating the bank. A loss will accrue to the county as a result of failure on the part of the county government to require the bank to post bond covering deposits as required by law.

The ruling of Judge John Watson granting an injunction against the Banking Commissioner and in favor of the depositors has been sustained by the higher courts.

### City Plans Program of Building Under New Federal Act

Mayor Chas. C. Smith announced Wednesday that the city council has under consideration a number of public works projects to be financed under the public works section of the national recovery act recently passed by congress.

Mr. Smith declined to discuss in detail the proposed public works because all plans are in the formulative stage and no formal applications have been made to the government.

A lengthy session of the council was held Monday night and the entire matter of public improvements was discussed.

### HENRY REICHERT, SHARPE PIONEER DIES THURSDAY

Henry Reichert, 57, pioneer resident of the Sharpe community, died suddenly at his home at 6:20 o'clock Thursday morning from heart attack.

Mr. Reichert had been in declining health for several years. Announcement of his sudden death came as a shock to the people of Cameron.

Funeral services will be held at the family residence at 2:30 p. m. Friday with interment in Sharpe cemetery. Rev. O. C. Acree of the First Presbyterian church will conduct the funeral services with Coleman-Eplen in charge of arrangements.

Mr. Reichert is survived by his widow and two sons, Ben F. Reichert, editor and publisher of the Cameron Enterprise, and Clay Reichert of Eagle Pass, one daughter, Mrs. Oscar Meeck of San Gabriel and granddaughter, Mary Lou Meeck.

### MASS MEETING TO BE HELD HERE ON FRIDAY

A general mass meeting of all school trustees in Milam county will be held at City Park here on Friday beginning at 10 o'clock, it was announced Wednesday by Mrs. Kathryn Robbins, superintendent for schools in Milam county.

The meeting will discuss the school apportionment for the coming year. Curtailed payment of taxes and subsequent shortage of state funds, it is said, offered apportionment of only about \$8. It will be recommended that the apportionment be \$15.

State superintendent L. A. Woods has been invited to be a guest for the day.

W. A. Morrison, member of the State Board of Education, will address the trustees and T. A. Fisher, President of the Milam County Board of Education, will have charge of the meeting.

### 1200 Cans of Corn In One Day Put Up For Charity This Year

More than 1200 cans of corn were preserved for winter use Tuesday in a community meeting here.

It is announced that on Tuesday June 27 tomatoes will be canned. Cameron people are requested to give assistance.

County director J. P. Love says community cannings over the county report good results.

#### CORRECTION

The publishers call attention to an error in the notice to Tax Payers by Roy Law last week. In the second paragraph of the statement the published account read: For 1929 and all prior years there are certain delinquent costs which are due and which must be remitted. The statement thus quoted should have said that these delinquent costs for 1929 and prior years are due and are not to be remitted. The tax payer must pay the delinquent costs on these taxes.

### First Bale Race Evens Football Grudge

Here is H. S. Edwards, (left) school principal from near Mission, Texas, the winner, shaking hands with Manuel Olivarez of Rio Grande, the loser, in one of the wildest races ever staged to deliver the first bale of cotton of the year to the Houston Cotton Exchange. Last year Edward's school was beaten in a football game with Rio Grande and principal and players run out of town. Edwards determined to get even. Starting three hours behind the Rio Grande man, Edwards averaged 62 miles an hour for 410 miles to win the race.

### Flood Control and Road Building Would Consume Million; Work for Many

#### New Road Boss

Here is John Wood, former secretary to Governor "Ma" Ferguson, who has become chairman of the Texas Highway commission, following adjournment of the Texas senate. Mrs. Ferguson's first appointment was rejected by the senate.

### WETS AND DRYs WILL SPEAK HERE JULY 4TH

The headquarters for both sides of the Repeal issue have informed the committee in charge of the 4th of July Celebration that they will have one of the leading speakers in their organization in Cameron to discuss the Repeal of the 18th Amendment.

The question will be before the people of Texas for their vote on August 26 and both sides are anxious to get their side of the issue before the citizens of the state.

Seats are being constructed to take care of the large crowds that will be on hand to hear these speakers.

Come to Cameron and enjoy the 4th with the American Legion.

### CAMERON RACING TEAM LOWERS STATE RECORD

With a time of 21 and 4-5 to lower the state record the racing team from Cameron Fire Department won first money at the meet in Corpus Christi last week.

In celebration of the event the racing team will entertain the department members with a barbecue on the river to-night at the pump station. City officials will be guests of honor. The program will start at 7:30.

The team winning at the state meet is composed of Oscar Schiller, Captain; Pete Kunz, Jerry Mikula, Blondy Brashear, Zeke Brod and Albert Richter, who will be hosts at the barbecue.

Joe Richter, deputy city marshal, represented Chief Monta Thomas at the state convention. Jack Henderson attended as a delegate and Will Cook attended the Fire Marshal's convention.

Mr. Richter says the convention was the best attended in the fourteen years he has been a delegate. The program was elaborate and the firemen report a splendid time.

The firemen express their thanks to the people of Cameron for their contribution to the annual convention fund.

The racing team competed with one of the largest numbers of teams ever attending the convention. Each member of the racing team received \$50 in prize money.

### James Tongate Will Return Here Aug. 1st

James M. Tongate, local manager for the Cotton Co-Operative Association, will return to Cameron about August 1 to resume his duties with the government cotton office.

Mr. Tongate sends greetings to the editor from New Orleans where he is umpiring in the Southern League, a contract he left Cameron to fill this spring.

It was estimated by L. Van Perkins, president of the Chamber of Commerce that the road construction program, if granted in full under the terms of the industrial recovery act of congress, would mean an expenditure of approximately \$50,000 in Milam county.

Elsewhere in this issue will be found listed in detail the road projects proposed under the co-operative work of the county.

A delegation of business men from the good roads committee was in conference with the highway commission in Austin Monday.

The special committee from the mass meeting last Thursday made recommendations to the Commissioners' Court setting forth the requisitions to be made for this county.

Included in the funds to be asked for are \$500,000 for flood control in Little River and tributaries in this county. This request is made conditioned on the government supplying the entire amount. Land owners say they are unable to bond themselves for 70 per cent of this amount. This grant is not expected to be made by the government because of inability on the part of the land owners to finance their portion of the obligation.

Members of the County Board of Education represented on the committee placed in the budget of request \$100,000 for rural school improvements. Under the terms of the recovery act 70 per cent of these funds must be paid by the districts. (See FLOOD CONTROL on page 4)

### \$60,000 ASKED BY COURT FOR RECORDS BUILDING

Funds in the sum of \$60,000 have been requested of the Federal Government by the Commissioners' Court for the construction of a records building. The recommendation was made at the meeting of the court in special session Wednesday.

The Committee from the mass meeting last Thursday had asked the court to apply for \$100,000 for the building but the court cut the amount down to \$60,000.

Under the terms of the public works division of the industrial recovery act of Congress, the county will be required to pay 70 per cent of this amount, the government contributing 30 per cent.

The offices of the tax assessor and collector have been combined under the terms of an amendment to the constitution voted by the people in 1932. The records building would house the department of collector and assessor who is to be elected by the people in 1934.

### Tucker Trials Resume At Belton Monday

Witnesses in the cases against J. C. Tucker have been summoned to appear in District Court in Belton Monday. At the present term of court four cases were set. A mistrial resulted in the first case to be tried when the jury failed to agree.

## MRS. SARAH MALONE IS BURIED AT LIBERTY

Mrs. Sarah E. Malone, 90 years and one month, died Friday, June 14 at her home at Hamner. The funeral was held at Hamner church Friday afternoon at 3 o'clock. Rev. Malone officiating, with burial in Liberty cemetery.

Mrs. Malone was Miss Sarah Kelley before her marriage and was born in the state of Arkansas. She came to Texas when a young girl and was one of the early pioneer settlers of Texas.

Mrs. Malone was a member of the Baptist church, and is well known in this section of the state as "Grandmother" Malone. She was the widow of a Confederate soldier. She is survived by two sons, Ed and George Malone of Hamner, one brother, Mr. Kelley of Henderson, and a number of grandchildren, great, great grandchildren who live over the state.

Full brothers were her grandsons, E. E. Malone, Walter Malone, Odus Malone, Wesley Malone, Tom Hood and Luther Hood.

The funeral was under the direction of C. S. Green & Son, Funeral Directors.

## Falls County Deputy Shot To Death At Durango Monday

MARLIN—Fleet Stuart, 51, deputy sheriff, was killed and Ted Blackmon and A. E. Newman, bystanders, were wounded in a shooting near Durango, 2 miles west of Marlin last night.

Falls county officers, called to the scene, returned to Marlin with a white man who was jailed for investigation. The affair originated in the vicinity of a negro June 15th celebration, attended by a number of white persons.

Officers were told Stuart had killed several persons just before he was shot. His gun was found undisturbed in his pocket after he was killed.

Officers went to Waco today where it was said they planned to question another person.

## Patriotic Program At Maysfield July 4th

As a mark of observance of the National Independence Day, an interesting and inspiring patriotic program will be held at the Maysfield School at 10 a. m. July 4th.

Judge Gilles of Cameron will deliver the principal address. Several vocal numbers of patriotic music, and the national colors of the American Legion of Cameron will lend appropriate harmony to the program.

## FOOD FOR THOUGHT

By J. C. (Click) Herring

Who says 32 is not intoxicating? Roosevelt had to trouble with Congress until it was served in the capital.

Celt invented a "Crooner" eliminator long before the radio was even heard of.

You see Wall Street had to be close to a river. The stock had to be kept watered.

Americans don't take government seriously. Just look at the jokes they send to Congress.

When I grow up to be a man, I'm going to do the best I can. I'm going to try with all my might, To do things I think are right. I'm going to be just like my dad, And never do a thing that's bad. And folks will say when they see me, "He's like his daddy used to be." And I'll be proud of such success, And nearly bust with happiness. Now daddies will you be proud of such a boy?

## What Makes a Safe Tire? ... I KNOW!

ARE you willing to risk your life on advertising statements claiming blowout-proof and unblowable tires? One manufacturer gives as the reason for claiming blowout-proof tires—the use of one ply of another color—another, a patented "no breaker" construction—a mail order house, high stretch "elastic" cords, etc., etc. Actually the fundamental cause of a tire blowout is the flexing of the tire which causes friction of the fibers in the cord, resulting in heat and causing the rubber to soften and the cords to deteriorate.

There is a reason why

Firestone Tires have won the 500-mile Indianapolis race for 14 consecutive years, the most gruelling tire test. The reason is the Firestone patented extra process of Gum-Dipping which saturates every fiber and insulates every cord with pure rubber—which gives strength to the cords and prevents friction and heat in the fibers. This year 42 drivers in this race equipped their cars with Firestone Gum-Dipped Tires and not a single driver had any tire trouble.

Race drivers know why Firestone Gum-Dipped Tires are safer and not subject to blowout and will not risk their lives on ordinary tires. Your life and the lives of your family are often in danger at the high road speeds of today and you should not take greater risks than the race drivers who make sure that they have the best and safest tires they can buy—Firestone. Come in today. We will give you a liberal trade-in allowance for your old tires on new Firestone High Speed Tires—the safest tires in the World.

## WAY OUT OF DRY TANGLE IS MAPPED

AUSTIN—Thirsty Texans who desire legalized 3.2 beer and wines today were given a special set of rules governing the jig-saw puzzle of prohibition in the state.

Questions from the local officials which deluged the attorney general's department were answered in a memorandum prepared by Elbert Hooper, first assistant attorney general. He said:

1. Counties, precincts and cities which voted dry prior to constitutional prohibition will remain legally dry even if Texas approves the manufacture and sale of beer and wines in the Aug. 26 election.

2. Local election to remove legal barriers against beer may be called by commissioners' courts for any day between July 1 and Aug. 26. Commissioners cannot be required to do so.

3. Commissioners' courts can be

required to call local option elections on or after Aug 26 if petitioned to do so by 10 per cent of the qualified voters of a county, precinct, or city. In no event are more than 500 signatures of qualified voters required.

4. County, precinct and city local option elections may be submitted on the same ballot at the same election and presided over by one set of election officials Aug. 26.

5. If Texas approves the beer and wine amendment the beverages are legal in all counties which had not voted dry prior to constitutional prohibition. The brew would not be legal in precincts or cities which voted dry prior to constitutional prohibition even though they be located in wet counties, unless such precincts and cities specifically authorize beer and wines at special elections.

6. If a dry county should vote to legalize beer it would not be lawful in justice precincts or cities therein which had voted dry prior to constitutional prohibition. Moreover,

and cities which had never voted dry, but which are located in dry counties, are prohibited until and unless legalized in a county wide local option election.

## Got Over Weak, Painful Condition By Taking Cardui

"I was weak and run-down and suffered quite a bit with pains in my side," writes Mrs. Nick Baranco, of Beaumont, Texas. "I was nervous. I did not rest well at night, and my appetite was poor. My mother had used Cardui with beneficial result, so I decided to take it. I surely am glad I did, for it stopped the pain in my side and built up my general health. I took seven bottles in all."

For over 50 years, Cardui has been helping women just as this Texas lady describes above. Cardui is sold at all drug stores.

A COMPANY THIRTY YEARS OLD

Last Friday the Ford Motor Company completed 30 years of automobile making.

It is also my fortieth year at the same job. I made my first engine in 1893, and it still runs. This is the engine that won the Selden Patent Suit—which took the motor car out of the exclusive class, and opened the automobile industry to hundreds of manufacturers who started during the last 30 years.

Some of the men who began with me that June day in 1903, are working here yet. All of the principles we laid down then, are still operative; we find that they have great survival value for the future. To date they have produced and sold over 21,000,000 Ford cars.

Although we created the automobile market we have never thought it was good for anyone to monopolize it. We have always believed that before business could be good for one, it must be good for all. Our discoveries and improvements have always been open to other manufacturers without patent restrictions.

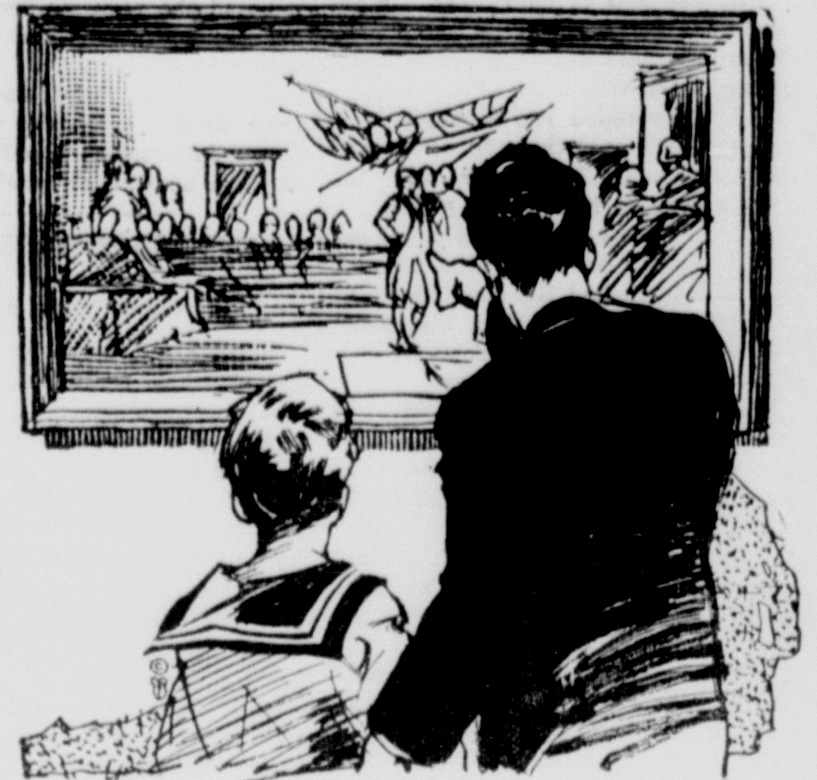

Of course, there is one thing we cannot share—everyone must get it for himself—and that is experience. Money could duplicate our buildings and machines, but it cannot duplicate 40 years of experience. And it is experience that makes a motor car.

But the past does not especially concern me; it has all been a preparation for the future. For myself, I feel that I have just been gathering the tools to do something worth while, and that my real task is still ahead.

Great changes are upon the world. False ideas of every kind are vanishing in the general upheaval. Those who built truly on principle will survive—their service will carry over. Business integrity and commodity honor will be fully justified. And newer and better ways of living will appear.

That is the outlook for this young thirty-year old Company of ours.

*Henry Ford*

in without a word and opened fire with a pistol. She gave a gasp and sagged down at my side.

"It was kind of chilly last night and she had my coat on to keep warm. I guess they might have thought she was a man."

#### Demanding His Money

The youth said that the other man then demanded his money, all the time menacing him with a pistol.

"I opened the door to reach for my pocket book," he said. "The man on my side wrenched the door open and hit me on the head with his pistol. He reached into my pockets so violently that he tore one loose.

"The blow on my head sort of staggered me and I sagged against the seat. The man grabbed me, pulled me out of the car and shot me in the shoulder.

"Then he flung me back in the car and they ran for the machine parked by the road. It looked to me like a small pick-up truck."

Bleeding profusely from the wound on his shoulder, Conway said he managed to get the car started and started to drive to Bryan.

#### Dead Girl in His Arms

"I put my arm around Ledell," he said. "She sagged way down in the seat and her clothes were covered with blood. I tried to drive as fast as I could and my shoulder hurt badly."

The youth did not know that his fiancée had been dead almost from the minute the bullet tore through her heart.

"I didn't know she was dead until we reached the clinic here," he told his parents.

His wound was treated and doctors said that, barring complications he would recover.

Young Conway and Miss Hammond were summer school students at Baylor University and had been sweethearts for two years at the college. During the last few days they became engaged.

#### Had Announced Engagement

They drove first to Kosse and told Mr. and Mrs. Dan Ray Hammond of their engagement. They had dinner at the home of the girl's parents and left for Bryan at about 8 o'clock. They were held up about 9:45 p. m.

Conway is the son of Mr. and Mrs. J. H. Conway.

Miss Hammond is survived by her parents and one brother, Raeford, 12. The parents arrived here this morning and took the girl's body back to Kosse for burial services there Sunday afternoon.

A couple of hours after the attack Guy Miller, driver of a truck for the Word Coffee Company of Waco, reported to police that he was held up at Wellborn, south of here, by two men and a woman who answered the descriptions of the assailants of the students.

#### Wacoan Robbed by Killers

"They took \$5 from me and some checks," Miller told officers. "They wanted to know why I hadn't cashed the checks, then hit me in the head with a gun and fled."

Miller said the trio came out of a side road called the "Rock Prairie road," that intersects highway six

near Wellborn. The road winds out into the prairie to the east. They fled back the same road, he said.

### FLOOD CONTROL

(Continued from page 1)

It was said that few, if any of the districts were able to arrange a security basis for loans. This request, under terms of act, may not be granted to the county.

The committee recommend to the Commissioners Court that the county borrow \$100,000 for a receding building. The court in session on Wednesday reduced that amount to \$60,000. Of this amount \$20,000 would be paid by the government without obligation to the tax payers.

In total the recommendations of the special committee is \$1,200,000.

In major part the funds allotted to the county will be for road building, these funds being paid in full by the government with no requirements that they be repaid. All roads constructed under the terms of these grants must be hard surfaced roads.

The committee from the chamber of Commerce has made map on which is based the requests for funds, giving the county a perfect net work of hard surfaced roads.

Prospect for employment of hundreds in Milam county was regarded an outstanding benefit from the program now under consideration.

way for U. S. highway 77 to be designated from Elm creek through Cameron to Minerva.

Class 2—(1) Highway 69 be hard surfaced from Cameron to the bridge over the Brazos river at Port Sullivan; (2) The part of highway from the underpass east of Milano, south to the Burleson county line, be hard surfaced; (3) The road from Cameron west through Tracy, Sharp, Lilac and Davilla to the Bell county line towards Bartlett be designated as a state highway and hard surfaced; this to be a continuation of highway 69.

Class 3—The following county roads to be hard surfaced: (1) Cameron through Hanover, Gause and Reeder to Burleson county line; 2. (a) Cameron through Yarrellton to Bell county line at Meeks; (b) Yarrellton to Edgeworth; 3 (a) Cameron (Silver City on highway 69) through Jones Prairie, cross roads to block bridge over Brazos river; (b) Silver City through Clarkson (1) to Briary City and Baileyville; (2) to Burlington; (3) to Jones Prairie. (4) Cameron (Pettibone on highway 36) through San Gabriel to Thorndale; (5) Branchville to Wild Cat bridge over the Brazos river.

### Cameron Comets Win From Westphalia

In their last game of the first half of the cup race the Cameron Comets won against Westphalia Sunday afternoon six to two. The Sluggers were booked to play Davilla at Rockdale, but the Davilla team failed to put in appearance so the game is forfeited to the Sluggers. These two victories place both the Cameron clubs in the top division of the Telegram cup race.

In the Comet-Westphalia game Sunday afternoon Arnie Peel was pitted against W. Beach. When the game ended it was found that the Comets had outhit the visitors thirteen to nine. The Westphalia boys started the scoring in the second inning when they scored one run on three hits and an infield put-out. They scored their second tally in the fifth inning when two two-baggers in a row netted a run. In the fifth inning the Comets came to life. Unk Young fanned but Pro Dierr followed Unk with a screaming single to center for a hit, stole second and scored on Williams' two bagger to right field. Douglas then scored on Bounds' single. In the next inning the Comets made two more tallies on four clean hits. The seventh and eighth inning produced a tally in each frame to make the final count of six to two.

Errors were responsible for two or three of the scores, as airtight baseball would have cut off runners while on bases.

The schedule for the remainder of the season will be printed as soon as the schedule is made up.

## SOCIETY

### Texan Is Ambassador

Dean R. G. Caldwell, professor of History at Rice Institute, Houston, and noted political authority, left this week for Washington for his final instructions before leaving to assume the post of Minister to Portugal, to which he was recently appointed by President Roosevelt.

### PRETTY PORCH PARTY

Honoring Mrs. C. E. Doss and Mrs. Clinton Ellis of Dallas who are house guests of Mrs. Vernon Roberts, Miss Eloise Rogers entertained with a pretty porch party at her home Tuesday afternoon.

Zenias were used in the decorations where tables were placed. Amid this pretty setting a series of games held interest for a season. Concluding the games highest score was made by Miss Helen Green and second highest by Mrs. Conn Moody, both receiving game cards. Guests of honor were presented with dainty lingerie.

Mrs. F. Fahrendorf and Mrs. Vernon Roberts assisted in serving a salad plate with ice drink.

### UNIVERSITY BRIDGE CLUB

Miss Dorothy Lesovsky was hostess to the University Bridge Club Thursday afternoon at 3:30 o'clock at her home. A collection of sunflowers in artistic grouping made the reception rooms attractive for the arranging of tables for games.

Guests other than club members present were: Misses Imogene Sapp, Nancy Rea Slocumb, Billie Gaither, Lauretta Evans, Marjorie Dusek, and Foldyne Rylander.

Assisted by Miss Imogene Sapp, the hostess served a lovely salad plate with ice tea.

### SUNDAY SCHOOL CLASS PICNIC

Mrs. W. E. Gaither was hostess to the Mollie Moore Sunday School class at Wayside Park last week.

The class is composed of young matrons with Mrs. Gaither as teacher. Husbands of the class were special guests, and enjoyed this outing on the banks of Little River. An appetizing lunch was spread and served to about fifteen couples. This was followed with a delightful hour of conversation.

### FAMILY REUNION

Mrs. A. Lesovsky who for many years has been living at Albany, has been a guest the past two weeks of Mr. and Mrs. Frank Lesovsky. She was joined for the week end by her daughters and families, Mrs. W. H. Nabours and daughter, Miss Madine, of Oklahoma City; Mrs. E. W. Lindsey and two daughters, Misses Mignon and Helen Lindsey of Tulsa, Oklahoma; Mr. and Mrs. E. W. Hollien and two sons of Bellville. It had been some time since all of them had been together, and the reunion was a most enjoyable one.

### BUSINESS WOMEN

A weiner roast was enjoyed by the members of the Business and Professional Women's Club Tuesday evening at Wayside Park, with the new president, Miss Annie Stallworth presiding and Miss Doris Davis chairman of the program.

Games and stunts were enjoyed which included a style show, given as a take-off. Mrs. Gladys Watson received the prize for the best Ho-bo looking costume.

At this meeting the club presented an emblem pin to the retiring president, Mrs. Lottie Bigbee.

The meeting for next month will be a Health and Recreation program with Miss Leila Woolley as chairman.

### WEDNESDAY CONTRACT BRIDGE

The Wednesday Contract Bridge Club was entertained last week by Mrs. Earl Burke. A color scheme of yellow and green was carried out featuring cosmos and zenias as chosen flowers. Tally pads and score cards emphasized the color chosen.

High score for guests was won by Mrs. Loula Clinton; for club members Mrs. P. W. Davis was lucky.

Ice punch was served during the games. At the conclusion Mary Ann cake a la mode was served by the hostess, assisted by Miss Dulce McCall and Mrs. Conn Moody.

Out of town guests were Mrs. Frank Wendt of Spearman and Mrs. Shofner Sterling of Pearsall.

### BIRTHDAY PARTY

Outstanding in beauty was the lawn party Tuesday evening June 20th, when Mrs. Giles L. Avriett entertained on the east lawn of their home 703 North Central Avenue, in honor of the sixth birthday of their daughter, Don Marie Avriett.

A real summer garden lighted with electric Japanese lanterns made a pretty scene where summer flowers in baskets, vases and containers lent floral attraction among shrubbery of the lawn where a delightful picnic dinner was enjoyed.

The pretty birthday cake was a gift of her Sunday school teacher, Mrs. Johnson, lovingly known as "Miss Sallie Kate," which was in basket design, filled with pink and blue flowers and decorated with six burning candles.

A delightful evening was spent by those present, who were selected from relatives by little Don Marie. Those present were her grandmother Mrs. Ida Avriett, Charles McDermott family, William Rogers family, Mr. and Mrs. W. O. Triggs, Mrs. Lola Hearrell, Jack Lewis family and Miss Jeff Lewis. Her brothers, Giles and Jack were away and not able to be present.

Little Don Marie received many lovely gifts.

### BAPTIST MISSIONARY SOCIETY

Women of the Baptist Missionary Society met in circles this week. The Lottie Moon circle met with Mrs. Conn Miller with Mrs. Gus Evans leader. Lesson "Baptist Women." Next Monday they will meet at the Park. All circles will meet at 4 in the afternoon.

Mrs. W. H. Henley was hostess to the Lillie Mae Hundley group and the lesson was led by the hostess. They will meet next Monday at the park.

The Eunice Taylor Glass group met with Miss Clara Thomas. Mrs. Archie McClerran led the Bible lesson. They will meet next Monday with Mrs. Joe Denson, who will lead the Bible lesson. Miss Thomas served ice cream and Angel Food cake at the close of the lesson.

The Lois Howard Mashburn circle met at the Men's Bible Class room at the church Monday afternoon with Miss Lil Jeter as leader. They will meet at the same place next Monday afternoon.

The Y. W. A. met at the church with Miss Inez Evans as leader. Subject was "Love." Mrs. Strickland gave a talk "Jesus Calls Us." Next week they will meet two days, Monday and Tuesday at 6:15 at which time Mrs. Wilson Guan will talk on "Things We Should Know."

Sunbeams had no meeting, but will meet next week at the church.

R. A. did not hold any meeting; will meet at 4 o'clock at the church next Monday afternoon.

### FIRST BAPTIST CHURCH

The Daily Vacation Bible School has just about finished its best year. We have had the largest enrollment with a figure that has gone beyond 220, and a registration that has gone beyond 250. Pupils have to attend at least three days before they are enrolled. The faculty not only represented real capability, but the finest of spirit and cooperation. They completed a study course in the School text book, and will receive the faculty awards.

Commencement will be held Friday evening at the auditorium and the public is cordially invited. The hour is 7:30, and the varied program will be most attractive.

Sunday services as usual. Men's Class Banquet next Tuesday evening.

### EPISCOPAL CHURCH

Next Sunday Bishop C. S. Quin will make an address at the 9 o'clock morning Prayer Service.

### E. K. Smith Buried in China Springs Sat.

News has been received in Cameron of the death of E. K. (Kirby) Smith, 69, who died at his home in China Springs Friday, June 16. Funeral services were held Saturday.

Mr. Smith was reared in Cameron and made his home here for some time with his father, the late Frank Smith, who was a pioneer dry goods merchant. He was a brother of Chick Smith, and a half brother of Robert Smith of Cameron.

## HOUSEHOLD HINTS

BY BETTY WEBSTER

If I could be a flower-child  
Do you know what I'd be?  
I wouldn't be a pansy,  
Or rose, or a sweet pea.  
I'd choose to be a hollyhock,  
And grow so straight and tall,  
That I could see the whole wide world  
Beyond the garden wall.

### Do You Know—

How to play the game of "Bird, Beast or Fish?" It is great fun and can be played by any number of people.

The players are seated in a circle and one is chosen to go to the center. There he walks around for a moment then stops suddenly and, pointing to one of the other players, says either "Bird" or "Beast" or "Fish" and counts from one to ten as rapidly as possible. Before the number ten is reached, the player at whom he is pointing must name a bird or a beast or fish, as the case may be.

The player must name a bird or a

beast or a fish that has not been named previously before the final count. If he fails he changes places with the one in the center and the game goes on.

This is a great deal of fun and keeps everyone thinking. Try it.

### Stained Glasses

Stained glasses are very nearly as undesirable as nicked china. The nicked china can not be made right, but the stained glass can.

Take either the mixture of vinegar and salt or lemon and salt and rub well over the stain. Then wash thoroughly and the glass will resume its clearness.

### Huckleberry Surprise

One packet lemon junket.  
Five heaping tablespoons huckleberries.

One pint milk (half cream if desired).

Sort and wash berries and place a heaping tablespoon in each of five dessert glasses. Prepare junket according to directions on package, using the pint of milk. Pour at once over the berries. Berries will come to the top and make a tempting dish. Let stand undisturbed until firm—about ten minutes. Chill and serve.

### A TONIC Laxative

CONSTIPATION, with the annoying symptoms that usually come with it, cuts down organic force and disturbs normal health and well-being. A thorough cleansing of the digestive tract is of great assistance in the removal of sickening constipation symptoms.

When excessive accumulated waste matter disturbs and strains the muscles of the large intestines, rendering them temporarily unable to perform their wave-like evacuating movements, Thedford's Black-Draught is useful in stimulating them to activity, which, again started, should continue regularly until some future disturbance interferes. In this way, Thedford's Black-Draught is one of the TONIC laxatives, tending, as it does, to establish a regular habit of evacuation.

### BARRY MILLER, FORMER LIEUT. GOVERNOR, DEAD

DALLAS—Barry Miller, 68, prominent in political and state affairs for many years, died today at the old home he loved to call "Miller-more" south of Dallas.

As a lawyer, district court judge, state senator and candidate for governor in 1930, Miller was known in all sections of the state.

High officials of his home city and of the state bore evidence of the respect in which he was held. Gov. Miriam A. Ferguson expressed keen regret and said that he had served the state well.

Miller had been in failing health for many months, complications arose after he was injured in a fall at Austin during the recent session of the legislature. Only a month ago his physicians reported that he was recovering but this afternoon they announced that he was at the point of death and in less than an hour he had passed away.

When Senator Culberson was unable to leave Washington in 1916, Miller successfully managed his campaign for re-election.

Miller suffered his first political defeat in 1922. He failed to reelection to the Texas house where he had served three times. In 1924 he was elected lieutenant-governor and was re-elected for two more terms.

TROOP NO. 52

J. A. Lindle, Scoutmaster.

Troop No. 52 held an interesting meeting Friday night with an attendance of 28. After the regular order of business Edward Matocha was introduced as a new scout. Edward is quite proficient at the piano and we are glad to have another musician in the Troop. First aid work was studied in the patrol meeting, and first aid games were played carrying out this idea. At this meeting our scoutmaster began a series of instruction in recreational leadership for the older boys. It is hoped that this course will be successful. After the games the meeting was closed with the scout oath and law.

During the week scouts Paul Michalka, George Matocha, Rudolph Michalka and C. W. Gjedde assisted the United Charities in canning food for winter distribution. They will also assist next week.

Troop 52 is now on top in the Class B Section of the soft ball league. Sunday afternoon 52 won a slug fest from Curry on the Scout field, the score being 26 to 1, seven innings game. 52 made 26 runs on 18 hits, while the Curry boys made one run on two hits. August Moraw starred at bat for 52, having a home run and three singles out of five times at bat. Two base hits, Louis and Ted Matula; double plays Rudolph and Ernest Michalka, Scout Hank Matula on the mound for 52 allowed only two hits in seven innings. Practically all of the 52 boys registered hits. Troop 52 will play the Marlow first team on the Scout field next Sunday. Since Marlow handed the Scout boys two disastrous defeats in succession earlier in the season, this game promises to be an interesting and tight game.

## Heart Reanimated After Ceasing to Beat For More Than Hour

Houston—Whatever death may be, Dehne McKeirman, 13, has tasted it. For nearly an hour last night his heart did not beat. Blood trickled from his mouth, he had no pulse, his lungs were paralyzed.

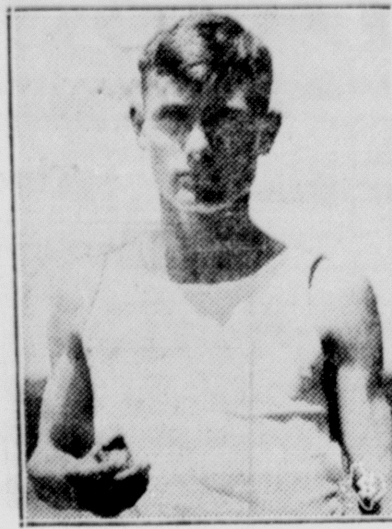

Young McKeirman was injured when he fell from a high tree while picking grapes. Companions rushed him to the fire station.

There he lay, apparently dead. After firemen applied artificial respiration and used exhalators, his heart began to beat. Physicians said he might live.

## State Banking Head To Resign

Austin—State Banking Commissioner James Shaw will resign within a few days to accept the federal position as state coordinator for home loan banking system. Senator Gus Russek probably will be appointed by Governor Ferguson to succeed him.

## World's Record

Here is Ross Bush, little Dallas high school boy, who raced to a new world's record in the half-mile at the prep school meet of the World's Fair in Chicago. Ross ran the half-mile in one minute 54.7 seconds.

Mr. and Mrs. Cecil McGregor of Temple were week end guests of Mr. and Mrs. Raymond McLeod. They formerly made their home in Cameron.

## Garner Breaks Rule On Patronage To Aid Small Boy To Job

Washington—Because he could not say "no" to a little, red-headed boy from Arkansas, Vice President Garner has broken a rule he made when he became speaker of the house.

He signed a job petition for "Red" McClellan, 12 year old page, who thinks the vice president "certainly a fine fellow."

"That's the first and last time I'll do that," Garner told him as he signed. The vice president has a rule that he will take no part in job-seeking campaigns.

Explaining his conquest, "Red" said today:

"I wanted to be office boy for Jim

Farley, so I got Mr. Garner and 35 others to sign my petition. Farley's another fine fellow. I need the money for my brothers and sisters back home.

## New Gulf-lube motor oil lasts 28½% more miles per quart!

TO MAKE THIS TEST, WE BORROWED 6 CARS—both new and old. Leading 25c oils were tested against Gulf-lube in each car. Gulf-lube stood up 28½% longer before a quart of oil had to be added!

Beats competing oils to a standstill in Speedway

"burn up" test

FOR 4 days, 12 hours a day, 6 borrowed cars tested 4 of America's leading 25c oils...

And, with every step of the test supervised by the Contest Board of the Ameri-

can Automobile Association, here was the result—a result that amazed even the hard-boiled officials...

Gulf-lube beat every oil in every car! It averaged 28½% more miles per quart than the average of its competitors.

Switch to the "high mileage" motor oil. You'll say "give me a quart of oil" less often! And you'll get a better oil—the finest motor oil 25c ever bought! Get Gulf-lube at any Gulf station

**BUCKHOLTS**

Mr. and Mrs. Joe Krall and daughter, Miss Lida Mae, are visiting relatives in Crosby.

Mr. D. C. Lewis is quite ill at this time.

Mrs. Greely Secrest spent the past week with her mother in Grandview.

Mrs. Joe Osaba of Austin was a recent guest of her sister, Mrs. V. A. Kubecka and family.

Miss Ollie Ezzell was a week end guest of relatives in Cleburne.

Mrs. J. O. Bragg and children of Abilene are visiting her mother, Mrs. H. J. Hailes.

Mr. and Mrs. Frank Zawadzke and daughter, Jaunita, were Monday guests of relatives in Rosebud.

Mrs. W. E. Wittinberg of Lometa is visiting her sister, Mrs. Buford McMillon, who is ill.

Mrs. Vernon Roberts of Cameron spent the week end with Mrs. Cecil Criswell.

Mr. and Mrs. John Meyer and baby are spending the week with relatives in Dallas and Wills Point.

**Slaying Suspects  
To Bryan Shortly**

BRYAN—Two men and a woman held in the Franklin jail, will be brought here in a day or two for possible identification by Ervin Conway as the persons who shot and killed Ledelle Hammond of Kosse Friday night and wounded him.

John R. Grace, county attorney, planned to bring them here as soon as Conway's condition would permit. Shot in the shoulder, he was described as being in a highly nervous state.

Guy Miller, Waco truck driver, was expected at Franklin to view the trio. Police believed that the three were connected with both the holdup of Miller and the shootings.

Misses Vlasta Babovec, Clara Schiller and Viola Zawadzke and Jerry Babovec were Rockdale visitors Sunday.

Mr. and Mrs. L. T. Lewis and son, L. T. of Fort Worth were Sunday guests in the home of Mr. and Mrs. J. A. Walschak.

Mrs. Ross Dabney and daughters, Misses Virginia and Ivy Jean, spent the week end in Temple with her sister, Mrs. G. F. Peck and family.

Mrs. A. H. Callihan, who has been a guest of her sister, Mrs. W. G. Bain for some days, has returned to her home in Port Arthur.

Interesting accounts of Chicago, the Century of Progress Exposition, and sights seen en route to Chicago have been related by Miss Gladys E. Harris, who returned from this tour last week. Among the places of interest visited in Chicago were: the Art Institute of Chicago, Official Century of Progress Exhibition of the Fine Arts, valued at approximately \$75,000,000 or twice the value of the entire world's fair of 1893; Field Museum of National History, unsurpassed for the variety and staging of its world-famous collections

assembled from all parts of the globe; University of Chicago, the outgrowth of the earlier university founded in 1859 and widely known

for its various departments; Marshall Field & Co. Retail Store and the merchandise most largest wholesale stores respectively; and Clarence Buckingham Memorial Fountain, located in Grant Park, a marvelous sculptural masterpiece, beautiful at night by special lighting effects.

The Fair itself was all that one could expect from all accounts given in the news items, previous to the formal opening and since. Just a few of the interesting exhibits to Miss Harris were: Court of states, with an especially attractive display from California; Fort Dearborn replica, historically known since 1812; Abraham Lincoln group, depicting houses, famous because of the life of Lincoln; "The City of New York," flag ship used by Byrd in his last trip to the south pole; the midnight village, where a very interesting program was given by its inhabitants; Sears building, using a carefully illustrated map of the United States for its exhibit; and the Sinclair Oil display, featuring the dinosaurs of prehistoric days.

Miss Harris is a teacher in Kerens

High school and is at home for the summer. She chose to take this instructive trip rather than attend school in preparation for her next year's work, which will be in the same school.

James Markham has been elected to teach English and Journalism in the Austin High school this fall.

**Thousands of Women  
Have Taken Cardui  
on Their Mothers' Advice**

It is an impressive fact that many women have said they learned of the value of Cardui from their mothers.

What stronger evidence of her confidence in a medicine could a mother have than that she advises her daughter to take it?

Cardui is given the credit for relieving so many cases of womanly suffering that it is widely and favorably known. Druggists, everywhere, sell it.

If you are weak, run-down, suffering monthly, take Cardui. Take it for a reasonable length of time and try it thoroughly. As your health improves, you will share the enthusiasm of thousands of women who have written to say: "Cardui helped me."
